#### **NOTES**

The Forest Conservation Advisory Committee met as scheduled on May 17, 2016.

Katherine Nelson presented information about the plan review process implemented by the Montgomery Planning Department using several actual examples and a discussion ensued.

The Committee discussed membership and how to better distribute vacancy ads. Laura will send the ad to the committee and reach out to the BCC about the status of the applicants.

The next meeting is scheduled for June 21, 2016, from 7:30 to 8:30 pm. It will be held in the small conference room at the DEP offices. Katherine Nelson will provide a good example of the development process and David Myers will review the results of his study on conservation easements that had poor outcomes.
